

**BERLIN – EDITION ITB**  
**2 MARCH 2026**

As every year, on the occasion of ITB Comitel & Partners is back in Berlin, this time for the 115th edition of ITW!

The Italian Travel Workshop (ITW) is designed to facilitate B2B meetings between representatives of the Italian tourism industry and leading German tour operators and travel agencies.

The event is taking place on March 3rd 2025 (the day before the opening of the ITB) at the Hotel Meliá Berlin.

Through our matchmaking platform, you can browse supplier profiles and schedule your meetings in advance. Additionally, the last 30 minutes of the event are dedicated to **FREE MEETINGS**, giving you the opportunity to connect with suppliers you haven't scheduled a meeting with.

**Participants:** Representatives of the Italian tourism industry—including hotels, tour operators, travel agencies, DMCs, local tourist boards, and tourism consortia from all Italian regions—will attend as sellers, holding meetings at their designated desks according to the pre-set agenda.
