

LONDON
14 MAY 2026

In 2026, ITW returns to London!

The 118th edition will take place on **May 14th, 2026**, at the **Millennium Gloucester Hotel London Kensington**, and will welcome Italian suppliers traveling from all over the country.

Each Italian supplier will have their own dedicated desk, and meetings will be **pre-scheduled** through an easy-to-use online platform. This will allow you to review suppliers' profiles in advance and organize your personalized meeting agenda.

Representatives from across the Italian tourism industry—including hotels, tour operators, travel agencies, DMCs, local tourist boards, and tourism consortia from all Italian regions—will participate in the event as sellers.

A **networking dinner** will be offered to all participants at the end of the meetings.
